

Update for service providers

Colleagues

Thank you for continuing to work with us as we navigate the safest and most appropriate ways to provide services during these testing times.

Information about the environment in which we are operating continues to change rapidly.

To provide you with the most updated information related to service delivery during the COVID-19 health emergency, we are posting FAQs regularly to our department's website at <https://www.csyw.qld.gov.au/news/novel-coronavirus>.

We are endeavouring to answer questions service providers across the state are asking. I encourage you to bookmark the site and check it regularly as new information will be added as soon as it comes to hand.

If you have any questions in the meantime, please contact your contract manager.
